

Scratch Policy

Coaches- Volleyball season scratches will need to be submitted online directly to UIL.

The UIL website is www.uiltexas.org and www.uiltexas.org/volleyball/officials will get you directly to the page. You will click “Volleyball Officials Scratch Form”. Complete the required boxes in the form and submit. Remember that comments are optional but it helps me teach.

Scratches do not carry over from last season so know that if there is a continuous scratch, you will need to resubmit this season.

A list of our HOT Officials is on our Chapter website www.hot-volleyball.com.

If you need any other information, the UIL Constitution and Contest Rules are on the website as well.
