PRE-MATCH CONFERENCE WITH CAPTAINS AND COACHES

Good evening ladies and gentlemen, please introduce yourselves and shake hands.
(While they are doing that continue)

I am John Smith and I will be the First Referee, the Second Referee for today is Sally Jones. The home team (Red) has already picked their bench and side. Coaches do you have your rosters?

Local ground rules: we are playing the white lines all the way around, the area behind the benches and the score table is non-playable area, the backboards are down, so if a ball hits a backboard that could be a possible replay, play until you hear a whistle.

Ladies, remember hair devices made of soft material, bobby pins, flat clips and flat barrettes are also allowed.

Coaches, Are your teams in legal uniforms and equipment? Shag your own balls. The line judges will not.

Floor captains may: call a Time Out or request a line up check from the court and may ask for a clarification of a call but may not question a judgment call.

Court protocol tonight will be as follows:

After player introductions, I will whistle for both teams to shake hands at the net, the end-of-set procedure will be when I whistle for end of set, both teams will either immediately change courts by going around the poles or go straight to their benches if we are not changing sides.

Just a reminder, ladies, let's have good sportsmanship at all times, Sally do you have anything to add? Are there any questions?

Red, who will be your speaking captain, #8? Blue, who will be your speaking captain, #25?

On this coin toss the winner can choose to serve or receive.

Blue, you are the visitor who will be calling the coin toss, #25, Are you ready?

Call it in the air please. Coin is tossed, (Blue calls heads) coin is pan-caked and then revealed, it is heads, Blue, Do you wish to serve or receive? SERVE, OK, good luck ladies. (R2 informs the scorer of the outcome of the coin toss and marks their LUC). The captains can leave. At this time I suggest you ask both coaches what kind of warm-ups they want. Coaches what kind of warm-up do you want?

5-5-2, OK, Thank you, Good luck
