

TASO Volleyball Division Dual Membership Policy

This is a list of the member's rights and responsibilities:

1. A member may join as many chapters as he/she wishes; however, this member must designate one (1) chapter as his/her primary chapter. The member's primary chapter is the chapter where the State Dues were paid. This is the chapter that will provide the member an initial schedule. No member may accept more than one (1) initial schedule. The member may close as many dates with the primary chapter as he/she needs.
2. A member may accept a match from a non-primary chapter provided they contact their primary scheduling secretary
3. Under no circumstances may a member cancel a match that has been accepted for another match.
4. Attendance to meetings will be determined by the local chapter's by-laws. Any ruling rendered by the chapter's board of directors regarding meetings will be upheld by the TASO State Office. Dual membership is not a reason to miss regular scheduled meetings in either chapter.
5. All state dues and match reports shall be submitted by the primary chapter. Additional chapters are responsible for local dues only.
6. Test scores are the responsibility of the primary chapter; however, it is the responsibility of all additional chapter secretaries to verify that a member has achieved a test score of at least 70 before assigning any varsity contest to that member.
7. A member MUST report to all chapter secretaries of his/her status. This status is either a primary member or a secondary member.

This is a list of the Chapter's rights and responsibilities:

1. Maintain records for all members of the primary chapter.
2. Report any disciplinary action to all non-primary chapters.
3. Honor any disciplinary action taken by another chapter unless otherwise specified by the Executive Director of TASO or by his designee.
4. Coordinate with any other chapter in an effort to best service the chapter, the member and the schools which we service.
5. A chapter will determine if the application for membership from a member will be accepted. Admittance to a chapter is the sole discretion of the Board of Directors of that chapter, as allowed by law. This right also extends to the development of the chapters playoff list.
